

VIAMI Terms and Conditions of Purchase

1. General: A purchase order ("PO") from Viavi Solutions Inc. or one of its subsidiaries ("VIAMI") constitutes that VIAMI entity's offer to purchase the products, deliverables, and/or services described or referenced thereon (collectively, "Products") from supplier of such Products ("Seller") in accordance with the following terms and conditions and any additional terms and conditions printed on the face of the PO that do not conflict with such following terms (collectively, "VIAMI Terms"). Seller shall be deemed to have accepted this offer, and in the absence of a separate, signed agreement between VIAMI and Seller, the VIAMI Terms become the exclusive and binding agreement between the parties for the purchase of Products ("Agreement"), upon the earlier of (i) acceptance or acknowledgment of the PO whether orally, in writing or otherwise, or (ii) commencement of performance of Seller's obligations under the PO. All other terms and conditions are hereby expressly rejected and superseded by the VIAMI Terms, and failure by VIAMI to object to any other provision, and/or VIAMI's acceptance of the Products, shall not be deemed acceptance of Seller's terms, nor a waiver of the VIAMI Terms. VIAMI Terms may only be excluded or amended by express written agreement signed by a duly authorized representative of VIAMI. Estimates or forecasts provided by VIAMI are for information purposes only and shall not constitute commitments or obligations to purchase. If a separate, signed purchase agreement exists between VIAMI and Seller with respect to the Products, the terms of such agreement shall prevail over any inconsistent terms herein. A copy, facsimile or electronic version of this document shall have the same force and effect as the original document. If Seller is located in Canada, the parties have agreed to draft this Agreement in English; les parties ont consenti à rédiger ce contrat en langue anglaise.

2. Prices: All prices shown on the face of the PO are FCA Seller's facility (Incoterms 2020), unless otherwise specified on the face of the PO, and are the maximum prices to be charged for the Products. Due dates for payment of invoices shall be net forty-five (45) days from the date of receipt of a valid invoice from Seller unless otherwise specified on the face of the PO. Title to the Products shall pass to VIAMI upon receipt at the identified destination point and, notwithstanding any term to the contrary herein, risk of loss in and damage to the Products shall pass to VIAMI upon VIAMI's receipt of the Products. All prices are firm and fixed, except in the event of any decrease in Seller's price for any Products in a quantity similar to that reflected in the PO, on or before delivery of Products is complete under such PO, in which case Seller shall provide a corresponding credit or rebate to VIAMI within thirty (30) days or on the next invoice, whichever occurs sooner.

3. Pricing Commitment: Seller represents and warrants that the prices charged for Products are no greater than the lowest prices charged by Seller to any other customer of Seller for substantially the same quantity of substantially the same products. Seller agrees to allow VIAMI to reasonably verify compliance with this provision by means of an independent external auditor.

4. Shipping: Unless instructed otherwise, Seller shall: (i) ship the material covered by the PO complete; (ii) ship in accordance with the instructions appearing on the face of the PO; (iii) place the PO number, freight carrier name, number of cartons (in shipment), Seller part number / description and VIAMI part number with HTS (tariff code) and ECCN, and VIAMI buyer name on all packaging and shipping documents; and (iv) label shipping cartons with VIAMI part number(s) and quantity, serial number(s) (when applicable) and item description. Seller shall provide adequate protective packing to prevent loss or damage, and in accordance with best commercial practices in the absence of any specifications provided by VIAMI all at no additional charge, and Seller shall bear full responsibility for damage due to improper packing or shipping of the Products. No partial or complete delivery will be made prior to the delivery date or dates specified unless VIAMI has given prior written consent. VIAMI may, at its option and sole discretion, return any deliveries made prior to the delivery date, and in such event, Seller shall reimburse and fully indemnify VIAMI for any and all costs or expenses related to such Product return.

5. Late Delivery: In this Agreement, time is of the essence. Failure to deliver Products within the time stated on the PO shall constitute a material breach. Seller shall notify VIAMI as soon as it becomes aware that it cannot meet the delivery date specified on the face of the PO and shall propose a new delivery date. In the event of such delay, without prejudice to VIAMI's other rights and remedies hereunder: (i) VIAMI reserves the right to instruct Seller to take any practicable action to remedy any delay in delivery; (ii) VIAMI shall have the right to claim from Seller by way of liquidated damages, ten percent (10%) of the price per week or part thereof, for each week, or part thereof, such Products are delayed; (iii) VIAMI may cancel the PO and/or reject the Products, without any liability whatsoever to Seller; and/or (iv) VIAMI may purchase replacements elsewhere and Seller shall be liable for the actual and reasonable costs and damages VIAMI incurs. Seller shall, at no additional cost to VIAMI, employ accelerated measures such as material expediting fees, premium transportation costs or labor overtime to ensure the Products are delivered on or before the delivery date.

6. Cancellation & Rescheduling: VIAMI may, at any time, with or without cause, unilaterally cancel or terminate the PO, in whole or in part ("Cancellation"). In the event VIAMI terminates without cause, VIAMI agrees to negotiate in good faith a reasonable

compensation amount. Notwithstanding the foregoing, where VIAMI provides Seller with notice of Cancellation of a PO at least thirty (30) days prior to the scheduled delivery date, VIAMI shall have no liability or obligations to Seller whatsoever. VIAMI may, without liability on five (5) days notice (or greater), reschedule any delivery date to a later date. Seller shall not, without VIAMI's prior written consent, commence manufacture, or procurement of parts for, the Products in advance of Seller's normal lead time for such Products.

7. Changes: By written notice to Seller, VIAMI may at any time unilaterally: (i) suspend the work or shipment under a PO in whole or in part for a stated time period; and/or (ii) make changes in one or more of the following elements: designs; drawings or specifications; method of shipment or packing; place or time of delivery; or quantities to be furnished. If such suspension or change causes a change in the cost of, or the time required for furnishing the Products, an adjustment may be made in the PO price and/or delivery schedule as agreed by VIAMI. If a price and/or schedule adjustment is not included in the notice, no increase in price or delay in delivery will be allowed unless Seller makes, with a detailed explanation, a claim in writing within thirty (30) days from the notice date. Nothing contained in this Section shall excuse Seller from proceeding without delay in performing this PO as changed. Seller shall not make any changes to the specifications, manufacturing processes or manufacturing site for the Products under this PO, without VIAMI's prior written consent. Breach of this provision shall entitle VIAMI to immediately terminate the PO without any notice or liability to Seller whatsoever.

8. Inspection: VIAMI shall have a reasonable time after delivery to inspect and accept the Products. Where VIAMI discovers defective or non-conforming Products, VIAMI may at its option and without prejudice to any other rights or remedies it may have hereunder or at law: (i) at Seller's expense and at VIAMI's option, return such Products for refund, credit, repair or replacement; (ii) obtain a price reduction, as determined by VIAMI in good faith; and/or (iii) at VIAMI's option, VIAMI may perform a partial or complete inspection, analysis and/or sorting of all delivered Products for the purposes of segregating any defective or non-conforming Products, and Seller shall pay, and fully indemnify VIAMI for, VIAMI's expenses related to such inspection, analysis and/or sorting, including without limitation, any labor costs arising from such inspection, analysis, and/or sorting. If Seller delivers a quantity of Products greater than that specified in the PO, VIAMI may reject all or part of the excess quantity or accept all or part of such quantity. Any excess quantity of Product accepted by VIAMI shall be subject to the terms and conditions of this Agreement. If Seller delivers a quantity of Products less than that specified herein, VIAMI may cancel the PO in respect of the undelivered quantity without any liability to Seller whatsoever.

9. Warranty: Seller warrants to VIAMI and its customers that: (i) the Products will be new and free from defects in title, design, material and workmanship; (ii) where applicable, the Products will conform to and perform in accordance with specifications, drawings and samples furnished or accepted by VIAMI; (iii) the Products shall comply with all laws, regulations, and industry standards applicable to the nature of the products supplied; (iv) Seller shall provide technical assistance, functionally equivalent replacement Products, repair services and failure analysis services, on any individual Product, including discontinued Products, for a period of ten (10) years after the later of: (a) the ship date to VIAMI for any individual Product or (b) Seller's discontinuance of the Product; (v) services will be performed by qualified and suitably trained individuals with sufficient experience and skill to perform such services, and with due diligence and in a manner consistent with industry standards applied to the performance of similar services; (vi) any Products provided to VIAMI shall not infringe or constitute an infringement or misappropriation of any copyright, patent, trademark, service mark, trade name, trade secret or similar proprietary right conferred by contract, statute, common law or any other law hereunder; (vii) Seller shall adhere to any VIAMI quality policy, procedure, or control required by VIAMI; and (viii) Seller has not and will not act unethically, and Seller has not offered or given, and will not offer or give, any employee, agent or representative of VIAMI or any government, any gift or gratuity with the intent of securing business from, or favorable treatment by, VIAMI. If Products contain third party warranties, Seller hereby assigns such warranties to VIAMI and its customers and upon request shall provide details of such warranties to VIAMI and its customers. Products failing to comply with applicable warranties will be, at VIAMI's option, (I) returned for a full refund or credit of amounts paid by VIAMI for the defective Product, (II) repaired, (III) replaced or (IV) re-performed by Seller, at no cost or expense to VIAMI or its customers and with shipping and transportation costs and risk of loss and damage in transit borne by Seller. In

the event of an Epidemic Failure, Seller shall, at its cost, provide support services as required by VIAVI and, if deemed necessary by VIAVI, at Seller's cost, implement an engineering change to correct the problem giving rise to the Epidemic Failure. VIAVI shall have the right to reject further deliveries of such Product without liability. In addition, without limitation, in relation to all affected Products, (whether already sold to VIAVI customers or stocked at VIAVI or authorized subcontractor facilities and, whether or not such Products have in fact failed), as directed by VIAVI at its option and sole discretion, Seller shall pay VIAVI a full refund or credit, perform repair services, and/or provide replacement Products, all at Seller's cost, together with Seller compensating VIAVI for any and all costs, expenses, damages and/or liabilities related to the Epidemic Failure, including, without limitation, VIAVI end-customer costs associated with Product and customer product removal and reinstallation.
