

# SecurePNT 6200 Maintenance and Repair Care Plans

VI·AVI offers warranty Care Plans for the SecurePNT™ 6200 product family. The Care Plans include hardware and labor costs for repair performed at the factory during the duration of the service contract.

VI·AVI returns your product operating like it did when it came off the factory line, but with added maintenance and enhancements that will extend the product life.

All Engineering Change Notices (ECNs) and software/firmware updates will be integrated to approved levels. Factors that need calibration can be adjusted to ensure accurate performance.

## BRONZE Care Plans

- Extend the standard manufacturer warranty

## Additional Features of Care Plans

- Technical Support: Make the most of your product's capabilities and your time.
- Rapid Repairs: High quality services with a guaranteed turnaround time.
